

The most frequently requested uPELT System parts are listed in the following tables. These parts are typically in stock and usually ship within 2-3 business days. Contact your PELT Technical Service Representative or local distributor for pricing and product availability information. (See - <http://www.imaginant.com/OrderPELT.html> for international locations and authorized distributors)

Miscellaneous Parts (All PELT Product Lines)		
Image	Part Number	Description
	PELT-CAP-STD	Standard 10 mil transducer wear-cap for part number PELT-XER-M and PELT-XER-M100 (see below)
	PELT-CAP-SML	Small diameter 10 mil transducer wear-cap for PELT-XER-SM
	WC-U1STD15	Wearcap with 15 mil Shim for special use on thick coatings with PELT-XER-M and PELT-XER-M100 transducers
	PELT-MYL-2	1" X 2" 10 mil mylar shim (Replaces wearcap for special measurement applications)
	PELT-XER-M	Standard transducer 0.34" diameter face (glass delay line)
	PELT-XER-SM	Small transducer 0.26" diameter face (glass delay line)
	PELT-XER-M100	Transducer for μ P301HE - 0.34" diameter face (glass delay line)
	PELT-GLY-02	2 oz. squeeze bottle of glycerin couplant
	PELT-CER-SHM-02	<u>Certified thickness standard "shim" for monitoring gauge drift</u> For Models μ P501, μ P501A, μ P301 (and μ P502 in LE Mode)
	PELT-CER-SH-100	For Model μ P301HE (and μ P502 in HE Mode)

<p>μPELT Gauge and Battery Parts (μP501, μP501A, μP5012 μP301 or μP301HE)</p>		
Image	Part Number	Description
	PELT-UP-CBL555	<p>ONLY for μP501 Gauge models with small SMB connector on the gauge. (Some uP501 gauges were converted to BNC connectors and use the cable below.)</p> <p>Right angle SMB cable, 48" in length. (Cable is for μPELT model number μP501 ONLY).</p>
	PELT-UP-CBL450	<p>Straight BNC cable, 48" in length</p> <p>(Cable is for μPELT model numbers μP501A, μP301 or μP301HE Models) {any with large BNC connector including converted uP501 gauges}</p>
	PELT-UP-ADTAC	<p>External power supply. (All μPELT models).</p>
	PELT-UP-BAT01	<p>NiMH battery 3.8 Ah (All μPELT models).</p>
	PELT-UP-BATC	<p>Battery charger for battery part number PELT-UP-BAT01</p>

μPELT Gauge and Battery Parts (μP501, μP501A, μP5012 μP301 or μP301HE)		
	<p>PELT-UP-CBLPC1</p>	<p>μPELT female to male null modem cable for μP501A, μP301, μP301HE, or μP502</p>
	<p>PELT-UP-CBLPC</p>	<p>μPELT female to female null modem cable for μP501</p>
